24 OCTOBER 2023 | PARK HYATT – BUSAN

IN CONJUNCTION WITH KORMARINE 2023

The 10<sup>th</sup> Asia Offshore Wind Day will be organized by the Asia Wind Energy Association in **Busan** on **24 October 2023**. The event will be held in conjunction with **KORMARINE 2023**. With the Asia offshore wind industry expected to grow significantly in the coming years, the 10<sup>th</sup> Asia Offshore Wind Day offers the ideal meeting place to network, discuss and learn more about the future of the offshore wind industry in Asia.

With an increased number of international and local developers announcing new offshore wind projects in Asia, the offshore wind sector in Asia will see a significant growth in the coming years. In addition, other growth markets such as New Zealand, Vietnam, Japan and Australia will be discussed during the conference. At our previous events in Asia-Pacific, there were more than 500 delegates and we expect a full house again for this event.
