

3RD ANNUAL PHILIPPINES OFFSHORE WIND DAY

Connect with industry leaders, experts, and professionals
shaping offshore wind in the Philippines

25 November
2026

Westin Hotel
Manila

The Asia Wind Energy Association will host its **3rd Annual Philippines Offshore Wind Day** in **Manila** on **25 November 2026**. This key industry gathering will explore the outlook for Philippines offshore wind sector and highlight opportunities for local and regional maritime and offshore companies to take part in this fast-emerging market. This roundtable will bring together over 125 delegates from across the Asia-Pacific offshore wind industry. Participants will gain valuable insights from expert speakers and panellists on the future development of the Philippines offshore wind industry and its role in the regional energy transition.

With a growing number of international and local developers announcing new offshore wind projects, Philippines offshore wind market is poised for significant growth in the coming years. Building on the success of our previous offshore wind roundtables, which each welcomed over 125 industry delegates, we anticipate another full house for this event.
